

Jupvig post office was established in May 1871. The first sub-postmaster, shopkeeper Paul Ingebrigt Hofseth, did not get a date-stamp until March 1875. He usually cancelled the mail with pen manuscript annotation of post office's name on both postage stamps and covers

Single-weight domestic letter franked with 3 Sk post horn tied with manuscript cancellation "Jupvig 15-8-74", sent locally to Bossekop in Alten

Local single-weight letter of June 9, 1877, from Jupvig to Talvig; franked with 3 Sk post horn postmarked with "JUPVIG" cds
