

Altenfjordens postekspedition (1907 - 1932):

In April 1907 a Class 2 post office named "Altenfjordens postekspedition" was established with a sub-postmaster on board the ship, e. g. the new ship S/S Alten, in the Altenfjord route. The sub-postmaster continued to use the old "ALTENFJORD" cds to cancel mail handed in on board

Post card from Tappeluft in Finmark to Kristiania, cancelled "ALTENFJORD 7-9-08"

From 1907 to 1909, the ship in the Altenfjord route made an extra trip to the outermost fishing villages of Sørøya in West Finmark every fortnight in the winter months

Money letter to Copenhagen (Denmark), franked with 20 øre post horn cancelled "GALTEN 29-11-09", insufficiently prepaid and therefore charged an additional 18 øre on board S/S Alten on one of its winter trips to Sørøya; surcharged stamps postmarked "ALTENFJORD 29-11-09". Postage paid: 10 øre (0-20g), registration 20 øre, insurance (0-150 kr) 8 øre = in total 38 øre
